AdminSTAR Demonstrations Set For June 24-25 and July 1-2

Four AdminSTAR software demonstrations are scheduled for June 24-25 and July 1-2 in Bldg. 4200, room P-110. These demonstrations will show Center employees how to enroll in classes and input data into the electronic Individual Development Plan using AdminSTAR. **Contact:** Francee Logston, 4-7534 or Laura Groce, 4-9154

All-Hands Meeting Set for 10 a.m. June 30 In Morris Auditorium

NASA History Book Available Online

A NASA history book "Beyond the Atmosphere: Early Years of Space Science" (NASA SP-4211, 1980) is now available at the following website: <http://www.hq.nasa.gov/office/pao/History/SP-4211/cover.htm>

Author Homer Newell, former NASA associate administrator for space science, covers administrative and technical aspects, as well as such topics as international cooperation.
